CELEBRATING 1 YEAR WITH SAPNA RAMESH, ASSOCIATE DIRECTOR – INDIA OPERATIONS

🏆 On Recognition & Growth

"One quality I admire most is how TekWissen recognizes and encourages every contribution. Being part of an organization that celebrates achievements and inspires excellence - while colleagues genuinely support one another makes this a truly rewarding place to build a career."

✨ Looking Ahead

"I'm grateful for the opportunity to be part of such an exceptional organization. I look forward to contributing my experience, creating value for our teams, and supporting TekWissen's continued growth. Together, I'm confident we'll achieve great milestones ahead!"

In her own words, Sapna shares what this first year has meant to her:

"Being a Law graduate and a passionate legal professional, transitioning into the corporate domain was a thoughtful and rewarding decision. I feel truly proud to be part of the TekWissen family — what sets us apart is our strong leadership, people-first culture, and unwavering commitment to excellence."

☀️ On TekWissen's Culture

"From day one, I experienced a welcoming, inclusive workplace built on collaboration and mutual respect. Our leadership encourages new ideas and continuous improvement, and the culture of trust and open communication has helped me think independently, take ownership, and stay accountable — motivating me to perform at my best."

Congratulations, Sapna - here's to many more milestones together! 🎉

CONGRATULATIONS

AgileOne Visits TekWissen Bangalore: Strengthening Strategic Partnerships

TekWissen's Bengaluru office recently hosted Hamaad Khan from AgileOne for an engaging business discussion centered on industry trends, workforce programs, and supplier engagement.

The visit kicked off with an office tour, giving Hamaad a firsthand look at TekWissen's delivery operations and vibrant workplace culture, along with the chance to connect with team members. He was quick to commend the collaborative spirit and strong capabilities on display across our teams.

A GREAT PARTNERSHIP IS BUILT ON SHARED VISION AND CONSISTENT COLLABORATION."

Conversations continued over dinner, where discussions turned to AgileOne's global supplier ecosystem and the expanding opportunities across the APAC region. Drawing on his experience managing supplier relationships across APAC, Europe, and India, Hamaad offered valuable insights into the evolving contingent workforce landscape and the growing importance of strong supplier partnerships.

The meeting also opened the floor for an exchange of ideas around TekWissen's regional strengths and areas of mutual opportunity. Hamaad spoke about AgileOne's supplier engagement roadmap including an upcoming supplier summit and emphasized the value of staying closely connected with strategic partners.

The visit wrapped up on a high note, reinforcing the strong and evolving relationship between TekWissen and AgileOne. We thank Hamaad for taking the time to visit our office and look forward to continued collaboration ahead!

Strengthening Relationships with the PerkinElmer / Allegis MSP Team

Associate Director Hemant Kumar, along with Muraleedhar Krishna, recently met with the PerkinElmer / Allegis MSP leadership team in Chennai including Girinath Chinthavali, CCWP (Associate Director, Allegis) and Gowrisankar Shanmughavel (Program Manager, AGS PerkinElmer) for an engaging discussion on supplier collaboration and program expectations.

The meeting offered an opportunity to showcase TekWissen's global capabilities, delivery model, and staffing expertise, while gaining valuable insights into the evolving PerkinElmer program. Updates were shared on upcoming supplier scorecards and key performance expectations, with emphasis on responsiveness, submission quality, and SLA adherence.

"Strong supplier engagement is built on consistent dialogue and shared accountability."

Discussions also touched on the current landscape of the India program and ongoing hiring activity within the US business, underscoring the value of staying closely engaged with key stakeholders. The meeting concluded on a positive note, with both teams looking forward to continued collaboration in future visits.

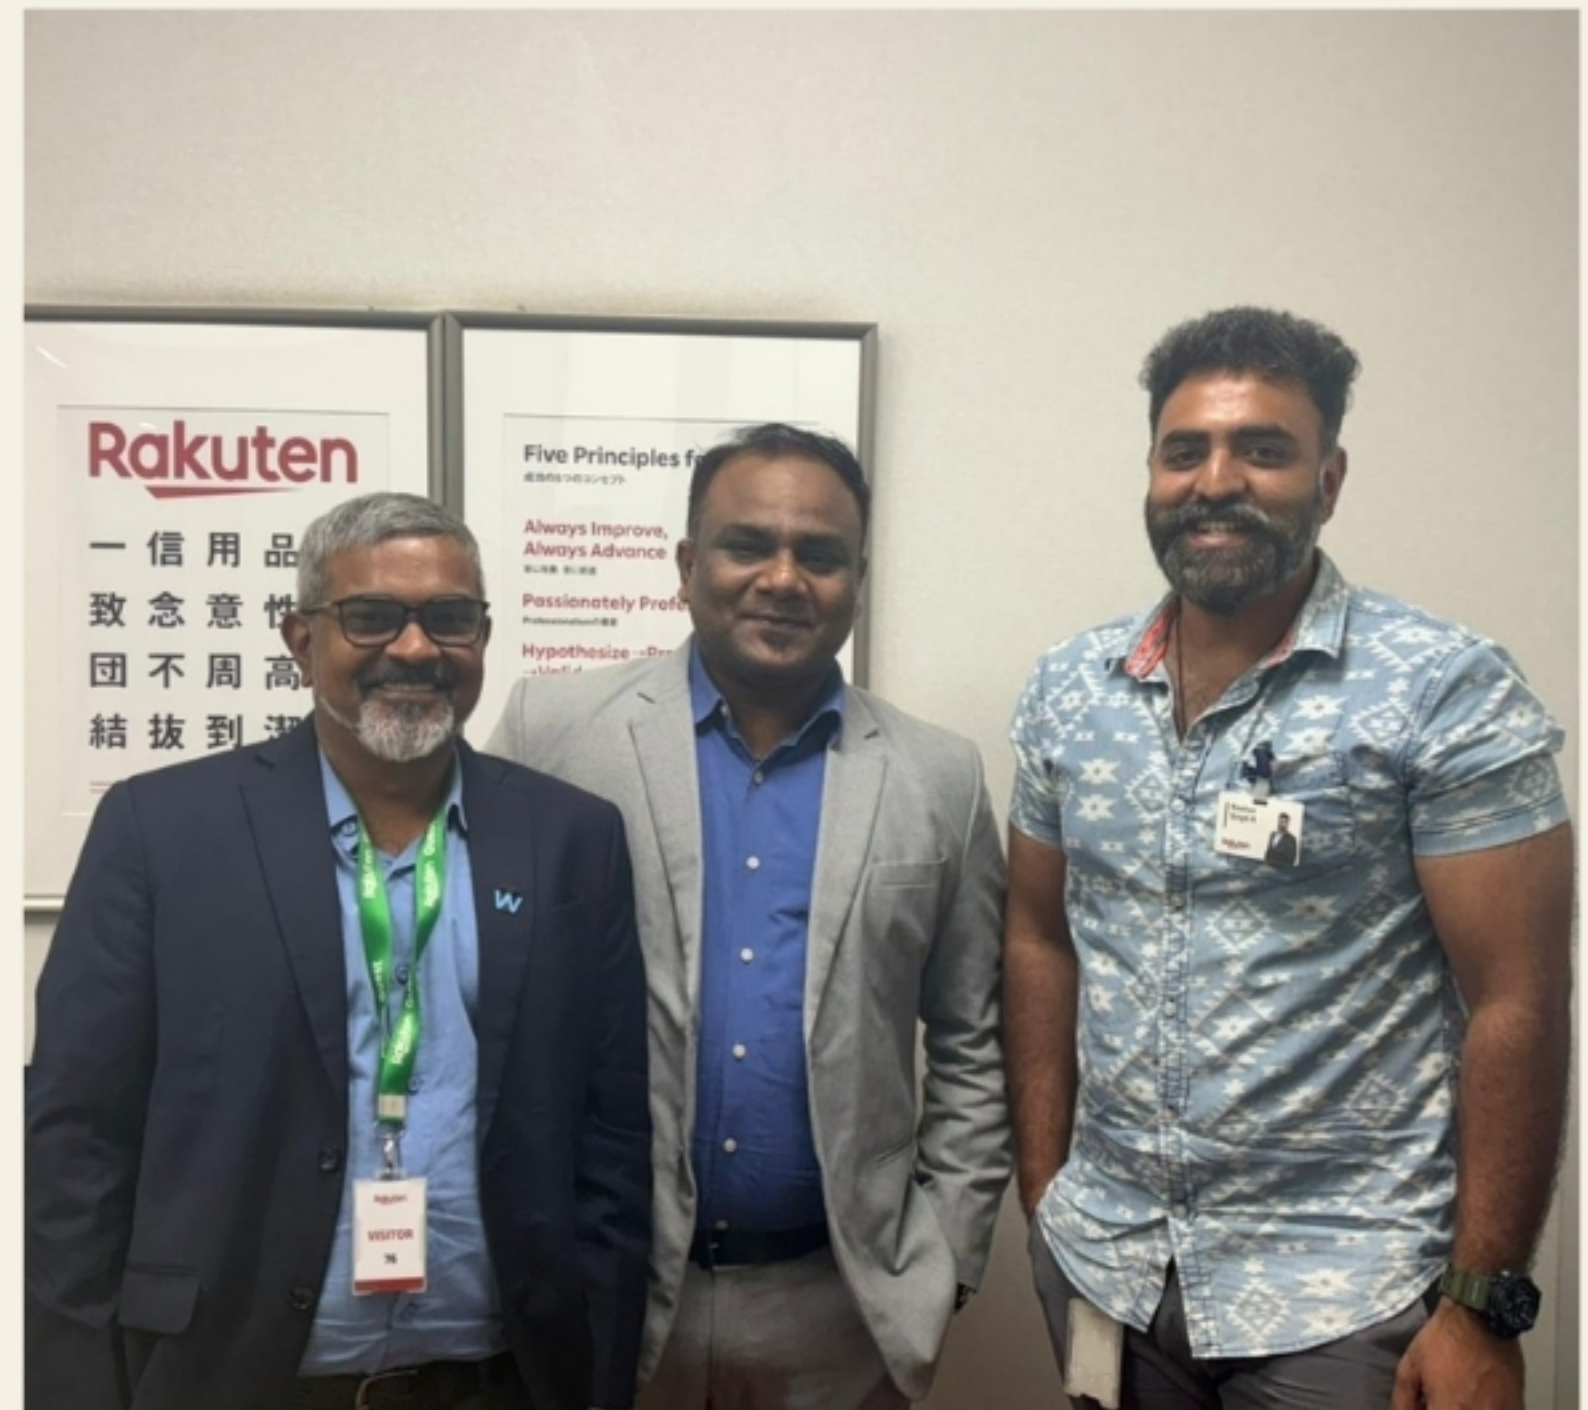

Engaging with Rakuten India R&D Procurement Leadership

Associate Director Muraleedhar Krishna, along with Hemant Kumar, recently met with Procurement Manager Roshan Singh at Rakuten India R&D headquarters in Bengaluru for a strategic discussion on workforce solutions and talent acquisition.

The meeting offered an opportunity to showcase TekWissen's global delivery capabilities, talent solutions portfolio, and technology-enabled recruitment approach, covering hiring models, candidate screening processes, and commercial frameworks aligned with Rakuten's evolving R&D talent needs.

The Rakuten team shared insights into their procurement-led vendor engagement model and niche hiring requirements, enabling both teams to exchange perspectives on recruitment best practices and explore areas of mutual alignment.

The engagement wrapped up with plans for next steps including sharing additional capability and commercial details keeping the channel open for future collaboration.

***"Quality, authenticity,
and consistency remain

talent acquisition."***

FROM CAMPUS TO CORPORATE: EMPOWERING FUTURE PROFESSIONALS

TekWissen's Deputy Manager takes the lead in bridging the gap between academic learning and corporate readiness for final-year students in Visakhapatnam.

In a meaningful step toward community engagement and talent development, TekWissen's Deputy Manager - Kalyan Suresh recently conducted an interactive session titled "Campus to Corporate: Building Skills for Career Success" for final-year students at St. Ann's College for Women, Visakhapatnam.

The session was thoughtfully designed to help students navigate the shift from academic life to the professional world, with a focus on the practical competencies that today's employers look for. Topics covered included:

- ***Resume building***
- ***LinkedIn profiles***
- ***Communication skills***
- ***Group discussions***
- ***Interview preparation***
- ***Professional etiquette***
- ***AI tools at work***

ST. ANN'S COLLEGE FOR

"Your degree may help you secure an interview but your skills, attitude, communication, and commitment to continuous learning will shape your career."
— Key message shared during the session

What stood out most was the enthusiasm and active participation of the students their curiosity, thoughtful questions, and eagerness to engage with real-world scenarios made for a session that was as energising for the facilitator as it was valuable for the attendees. Kalyan also had the opportunity to interact with faculty members, whose insights and commitment to shaping students' careers added further depth to the dialogue.

TekWissen takes pride in its people stepping beyond the workplace to invest in the next generation of professionals. Sessions like these reflect our broader commitment to giving back to the community and contributing to a workforce that is skilled, confident, and future-ready.

We extend our best wishes to all the students of St. Ann's College as they prepare to take their next bold step from campus into a world of opportunity.

Exciting News on the Horizon!

TekWissen Gives Back at the Humane Society of Huron Valley Walk & Wag 5K

Team TekWissen was proud to participate in the Humane Society of Huron Valley's annual Walk & Wag 5K, one of the organization's largest fundraising events supporting homeless, injured, and abused animals in our community.

The day was filled with community spirit, friendly competition, and plenty of opportunities to connect with fellow animal lovers—including a few four-legged friends. Following the event, team members and their families gathered for a celebratory lunch to recognize the impact of their efforts.

For more than 125 years, the Humane Society of Huron Valley has served Washtenaw County by providing shelter, care, and support for animals and the people who love them. Today, the organization helps more than 24,000 animals and community members each year through its wide range of services.

As an event sponsor, TekWissen not only supported the cause financially but also brought together a team of employees, family members, and friends who walked, ran, and raised funds to help animals in need. We are excited to share that our team exceeded its fundraising goal of \$1,000, raising an impressive \$1,835. Collectively, the event raised more than \$360,000 to support the Humane Society of Huron Valley's vital programs and services.

Thank you to everyone who participated, donated, and supported Team TekWissen. Together, we made a meaningful difference for animals in our community.

EMPOWER YOUR BUSINESS

This June, our TalentHouse feature shines on Aishwarya, a trainee at TekWissen with a lifelong passion for modeling and fashion.

It all began in childhood, when her aunt a beautician introduced her to fashion through playful outfit changes and photoshoots. That early spark grew into a genuine passion, leading Aishwarya to model for fashion design students in college and take part in fashion shows and fest competitions.

Her favorite part? Designing her own costumes, blending fashion with creativity a passion that has earned her two competition wins so far.

"To me, modeling is about confidence, creativity, and embracing individuality."

— Aishwarya

We're proud to have such creative talent within the TekWissen family! 🌟

Happy Father's Day

This June, we pause to honour and celebrate some of the most extraordinary people in our lives - our Fathers! 💙

Father's Day is a beautiful reminder of the quiet strength, unwavering support, and steady guidance that every father brings into our lives. Whether through gentle words or lessons taught by example, a father's presence shapes our resilience, our values, and our confidence to take on the world.

To every father within the TekWissen family our employees, and the fathers of our employees we see you, we appreciate you, and we celebrate you today and every day.

"A father doesn't tell you that he loves you, he shows you."

Happy Father's Day! 🎉 Here's to the men who lead with strength and love!

World Bicycle Day 2026: TekWissen pedals for a Greener Vizag

To mark World Bicycle Day 2026, Vizag Pedal+ successfully flagged off the first edition of the Commute Ride across the City of Destiny - Visakhapatnam. The event brought together cyclists, commuters, families, and fitness advocates, all united by a shared vision of sustainable mobility and healthy living.

The ride saw enthusiastic participation from across the city, reinforcing cycling as more than just transport a lifestyle that supports better health and a cleaner environment.

Special thanks to our sponsors and partners

TekWissen, Bandaru Foundation, Decathlon, and JCI Vizag whose support made this impactful event possible.

Inspiring words from our guests

"Cycling is a sustainable, healthy, and environmentally friendly mode of transportation."

Chief Guest Shanka Brata Bagchi, IPS, Commissioner of Police, Visakhapatnam City, highlighted ongoing efforts to develop dedicated cycling infrastructure across the city, encouraging more citizens to take up cycling.

TekWissen Group Founder & CEO, Rajeev Kumar Senta, shared his vision for healthier communities through active, sustainable living, and commended Vizag Pedal+ for driving cycling awareness citywide.

Cheers to Team Vizag Pedal

A big shoutout to the dedicated volunteers of Vizag Pedal+, whose tireless efforts made this event a smooth and memorable success!

Special mention

A heartfelt thanks to Manohar Bodetti for his valuable coordination and support in making this event a success!

Celebrating International Yoga Day @ Tek Wissen

Wellness at the Desk, Energy in the Team!

This June, TekWissen celebrated International Yoga Day with a refreshing virtual yoga session, bringing together employees from all our locations for an hour of mindful movement and energy!

We were honoured to have **Ms. Pragathi**, Certified Yoga Trainer and Founder & CEO of **Pragathi Yoga Studios**, lead this special session. Employees joined in with great enthusiasm, participating in simple yet effective desk-friendly yoga practices designed specifically to ease the strain of desk jobs stretching, breathing, and relaxation techniques that fit right into our daily routine.

The session was a wonderful reminder that wellness doesn't need a mat and a quiet room a little mindfulness at our desks can go a long way in boosting focus, easing tension, and recharging our energy through the workday.

A big thank you to Ms. Pragathi for guiding us through this rejuvenating experience, and to all our employees across locations who joined in and made the session such an energetic success! 🌿

Pet Parade

Some bonds go beyond the expected. For one of our colleagues, that means tying Rakhi every year not just to a brother, but to two dogs who have fully earned their place in the family.

Chimtu, a black male dog, was found on the street at barely two weeks old and has grown into a bold, energetic presence the kind who slips out the front door the moment it opens, takes himself on an unhurried neighbourhood walk, and returns an hour or two later as though nothing happened. He takes his self-appointed role as house security guard very seriously and has strong opinions about non-vegetarian food.

Annie, a white female dog, joined the family five months later at just five days old, and could not be more different calm, deeply fond of sleeping, and entirely unwilling to step outside without her people beside her, even with the door wide open. Two opposite personalities, one home full of love.

CELEBRATING 1 YEAR WITH SAPNA RAMESH, ASSOCIATE DIRECTOR – INDIA OPERATIONS

🏆 On Recognition & Growth

"One quality I admire most is how TekWissen recognizes and encourages every contribution. Being part of an organization that celebrates achievements and inspires excellence - while colleagues genuinely support one another makes this a truly rewarding place to build a career."

✨ Looking Ahead

"I'm grateful for the opportunity to be part of such an exceptional organization. I look forward to contributing my experience, creating value for our teams, and supporting TekWissen's continued growth. Together, I'm confident we'll achieve great milestones ahead!"

In her own words, Sapna shares what this first year has meant to her:

"Being a Law graduate and a passionate legal professional, transitioning into the corporate domain was a thoughtful and rewarding decision. I feel truly proud to be part of the TekWissen family — what sets us apart is our strong leadership, people-first culture, and unwavering commitment to excellence."

☀️ On TekWissen's Culture

"From day one, I experienced a welcoming, inclusive workplace built on collaboration and mutual respect. Our leadership encourages new ideas and continuous improvement, and the culture of trust and open communication has helped me think independently, take ownership, and stay accountable — motivating me to perform at my best."

Congratulations, Sapna - here's to many more milestones together! 🎉

AgileOne Visits TekWissen Bangalore: Strengthening Strategic Partnerships

TekWissen's Bengaluru office recently hosted Hamaad Khan from AgileOne for an engaging business discussion centered on industry trends, workforce programs, and supplier engagement.

The visit kicked off with an office tour, giving Hamaad a firsthand look at TekWissen's delivery operations and vibrant workplace culture, along with the chance to connect with team members. He was quick to commend the collaborative spirit and strong capabilities on display across our teams.

A GREAT PARTNERSHIP IS BUILT ON SHARED VISION AND CONSISTENT COLLABORATION."

Conversations continued over dinner, where discussions turned to AgileOne's global supplier ecosystem and the expanding opportunities across the APAC region. Drawing on his experience managing supplier relationships across APAC, Europe, and India, Hamaad offered valuable insights into the evolving contingent workforce landscape and the growing importance of strong supplier partnerships.

The meeting also opened the floor for an exchange of ideas around TekWissen's regional strengths and areas of mutual opportunity. Hamaad spoke about AgileOne's supplier engagement roadmap including an upcoming supplier summit and emphasized the value of staying closely connected with strategic partners.

The visit wrapped up on a high note, reinforcing the strong and evolving relationship between TekWissen and AgileOne. We thank Hamaad for taking the time to visit our office and look forward to continued collaboration ahead!

Strengthening Relationships with the PerkinElmer / Allegis MSP Team

Associate Director Hemant Kumar, along with Muraleedhar Krishna, recently met with the PerkinElmer / Allegis MSP leadership team in Chennai including Girinath Chinthavali, CCWP (Associate Director, Allegis) and Gowrisankar Shanmughavel (Program Manager, AGS PerkinElmer) for an engaging discussion on supplier collaboration and program expectations.

The meeting offered an opportunity to showcase TekWissen's global capabilities, delivery model, and staffing expertise, while gaining valuable insights into the evolving PerkinElmer program. Updates were shared on upcoming supplier scorecards and key performance expectations, with emphasis on responsiveness, submission quality, and SLA adherence.

"Strong supplier engagement is built on consistent dialogue and shared accountability."

Discussions also touched on the current landscape of the India program and ongoing hiring activity within the US business, underscoring the value of staying closely engaged with key stakeholders. The meeting concluded on a positive note, with both teams looking forward to continued collaboration in future visits.

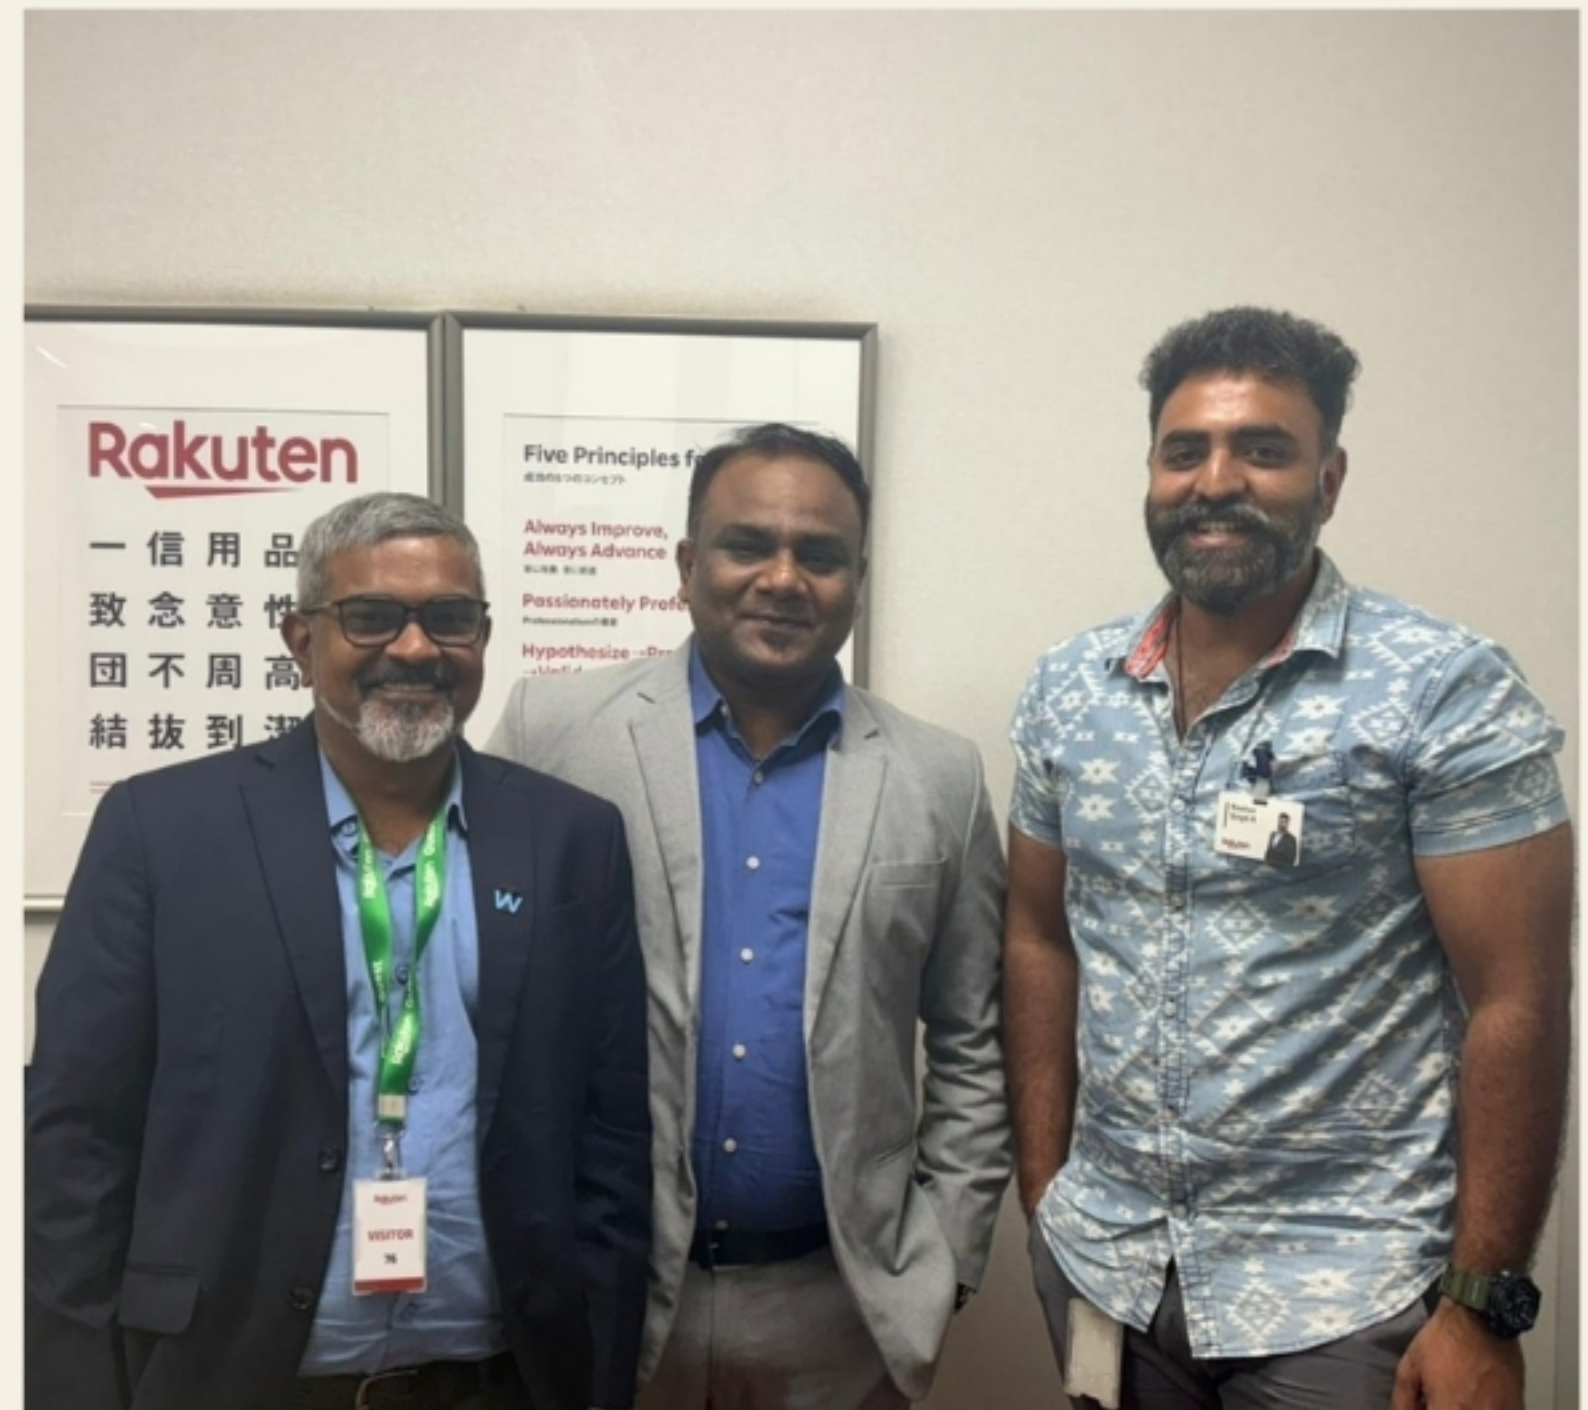

Engaging with Rakuten India R&D Procurement Leadership

Associate Director Muraleedhar Krishna, along with Hemant Kumar, recently met with Procurement Manager Roshan Singh at Rakuten India R&D headquarters in Bengaluru for a strategic discussion on workforce solutions and talent acquisition.

The meeting offered an opportunity to showcase TekWissen's global delivery capabilities, talent solutions portfolio, and technology-enabled recruitment approach, covering hiring models, candidate screening processes, and commercial frameworks aligned with Rakuten's evolving R&D talent needs.

The Rakuten team shared insights into their procurement-led vendor engagement model and niche hiring requirements, enabling both teams to exchange perspectives on recruitment best practices and explore areas of mutual alignment.

The engagement wrapped up with plans for next steps including sharing additional capability and commercial details keeping the channel open for future collaboration.

FROM CAMPUS TO CORPORATE: EMPOWERING FUTURE PROFESSIONALS

TekWissen's Deputy Manager takes the lead in bridging the gap between academic learning and corporate readiness for final-year students in Visakhapatnam.

In a meaningful step toward community engagement and talent development, TekWissen's Deputy Manager - Kalyan Suresh recently conducted an interactive session titled "Campus to Corporate: Building Skills for Career Success" for final-year students at St. Ann's College for Women, Visakhapatnam.

The session was thoughtfully designed to help students navigate the shift from academic life to the professional world, with a focus on the practical competencies that today's employers look for. Topics covered included:

- ***Resume building***
- ***LinkedIn profiles***
- ***Communication skills***
- ***Group discussions***
- ***Interview preparation***
- ***Professional etiquette***
- ***AI tools at work***

ST. ANN'S COLLEGE FOR

"Your degree may help you secure an interview but your skills, attitude, communication, and commitment to continuous learning will shape your career."
— Key message shared during the session

What stood out most was the enthusiasm and active participation of the students their curiosity, thoughtful questions, and eagerness to engage with real-world scenarios made for a session that was as energising for the facilitator as it was valuable for the attendees. Kalyan also had the opportunity to interact with faculty members, whose insights and commitment to shaping students' careers added further depth to the dialogue.

TekWissen takes pride in its people stepping beyond the workplace to invest in the next generation of professionals. Sessions like these reflect our broader commitment to giving back to the community and contributing to a workforce that is skilled, confident, and future-ready.

We extend our best wishes to all the students of St. Ann's College as they prepare to take their next bold step from campus into a world of opportunity.

TekWissen Gives Back at the Humane Society of Huron Valley Walk & Wag 5K

Team TekWissen was proud to participate in the Humane Society of Huron Valley's annual Walk & Wag 5K, one of the organization's largest fundraising events supporting homeless, injured, and abused animals in our community.

The day was filled with community spirit, friendly competition, and plenty of opportunities to connect with fellow animal lovers—including a few four-legged friends. Following the event, team members and their families gathered for a celebratory lunch to recognize the impact of their efforts.

For more than 125 years, the Humane Society of Huron Valley has served Washtenaw County by providing shelter, care, and support for animals and the people who love them. Today, the organization helps more than 24,000 animals and community members each year through its wide range of services.

As an event sponsor, TekWissen not only supported the cause financially but also brought together a team of employees, family members, and friends who walked, ran, and raised funds to help animals in need. We are excited to share that our team exceeded its fundraising goal of \$1,000, raising an impressive \$1,835. Collectively, the event raised more than \$360,000 to support the Humane Society of Huron Valley's vital programs and services.

Thank you to everyone who participated, donated, and supported Team TekWissen. Together, we made a meaningful difference for animals in our community.

Behind the Style

#Talent House

This June, our TalentHouse feature shines on Aishwarya, a trainee at TekWissen with a lifelong passion for modeling and fashion.

It all began in childhood, when her aunt a beautician introduced her to fashion through playful outfit changes and photoshoots. That early spark grew into a genuine passion, leading Aishwarya to model for fashion design students in college and take part in fashion shows and fest competitions.

Her favorite part? Designing her own costumes, blending fashion with creativity a passion that has earned her two competition wins so far.

"To me, modeling is about confidence, creativity, and embracing individuality."

Happy Fathers Day

This June, we pause to honour and celebrate some of the most extraordinary people in our lives - our Fathers! 💙

Father's Day is a beautiful reminder of the quiet strength, unwavering support, and steady guidance that every father brings into our lives. Whether through gentle words or lessons taught by example, a father's presence shapes our resilience, our values, and our confidence to take on the world.

To every father within the TekWissen family our employees, and the fathers of our employees we see you, we appreciate you, and we celebrate you today and every day.

"A father doesn't tell you that he loves you, he shows you."

World Bicycle Day 2026: TekWissen pedals for a Greener Vizag

To mark World Bicycle Day 2026, Vizag Pedal+ successfully flagged off the first edition of the Commute Ride across the City of Destiny - Visakhapatnam. The event brought together cyclists, commuters, families, and fitness advocates, all united by a shared vision of sustainable mobility and healthy living.

The ride saw enthusiastic participation from across the city, reinforcing cycling as more than just transport a lifestyle that supports better health and a cleaner environment.

Special thanks to our sponsors and partners

TekWissen, Bandaru Foundation, Decathlon, and JCI Vizag whose support made this impactful event possible.

Inspiring words from our guests

"Cycling is a sustainable, healthy, and environmentally friendly mode of transportation."

Chief Guest Shanka Brata Bagchi, IPS, Commissioner of Police, Visakhapatnam City, highlighted ongoing efforts to develop dedicated cycling infrastructure across the city, encouraging more citizens to take up cycling.

TekWissen Group Founder & CEO, Rajeev Kumar Senta, shared his vision for healthier communities through active, sustainable living, and commended Vizag Pedal+ for driving cycling awareness citywide.

Cheers to Team Vizag Pedal

A big shoutout to the dedicated volunteers of Vizag Pedal+, whose tireless efforts made this event a smooth and memorable success!

Special mention

A heartfelt thanks to Manohar Bodetti for his valuable coordination and support in making this event a success!

Vizag to get dedicated cycling tracks, 60 theme parks with ₹16 crore outlay

TIMES NEWS NETWORK

Visakhapatnam: The Greater Visakhapatnam Municipal Corporation has proposed the development of two dedicated cycling tracks in Visakhapatnam to promote a cycling culture and encourage healthy lifestyles. One cycling track is planned along a 5.2-km stretch near the Arilova Skill Development Centre at an estimated cost of Rs 3 crore, while another beach-front cycling track, measuring 700 metres in length and 10 feet in width, has been proposed near Sagar Nagar at a cost of Rs 2 crore. Together, the projects involve an estimated investment of Rs 5 crore. At present, the 2-km cycling track at the Health Arena near Kailasagiri is the largest in the city. GVMC is also planning to develop 60 theme parks at a cost of Rs 10.97 crore.

Tourists visiting Visakhapatnam are often seen enjoying the scenic views, particularly towards Bheemili. As the road stretch from Sagar Nagar to Bheemili is relatively less congested compared to other parts of the city, it offers both tourists and locals a pleasant ride.

GVMC currently maintains 174 parks across all the zones, including 139 colony parks spread over 151 acres. Of these, 60 parks identified for improvement will be developed as exclusive theme parks in six packages at an estimated cost of Rs 10.97 crore. Each park will feature unique concepts such as nature, adventure, fitness and children's themes," said Garg.

The parks will include landscaped gardens, walking and jogging tracks, play equipment, open gyms, yoga zones, and cultural and educational exhibits. They will also incorporate sustainable measures such as rainwater harvesting, the use of recycled materials, and the plantation of native, low-water-consumption plants.

GVMC commissioner Ketan Garg said the proposed cycling track initiatives aim to pedal amidst natural surroundings, sea breeze, and a calm environment.

Celebrating International Yoga Day @ Tek Wissen

Wellness at the Desk, Energy in the Team!

This June, TekWissen celebrated International Yoga Day with a refreshing virtual yoga session, bringing together employees from all our locations for an hour of mindful movement and energy!

We were honoured to have **Ms. Pragathi**, Certified Yoga Trainer and Founder & CEO of **Pragathi Yoga Studios**, lead this special session. Employees joined in with great enthusiasm, participating in simple yet effective desk-friendly yoga practices designed specifically to ease the strain of desk jobs stretching, breathing, and relaxation techniques that fit right into our daily routine.

The session was a wonderful reminder that wellness doesn't need a mat and a quiet room a little mindfulness at our desks can go a long way in boosting focus, easing tension, and recharging our energy through the workday.

A big thank you to Ms. Pragathi for guiding us through this rejuvenating experience, and to all our employees across locations who joined in and made the session such an energetic success! 🌿

Pet Parade

Some bonds go beyond the expected. For one of our colleagues, that means tying Rakhi every year not just to a brother, but to two dogs who have fully earned their place in the family.

Chimtu, a black male dog, was found on the street at barely two weeks old and has grown into a bold, energetic presence the kind who slips out the front door the moment it opens, takes himself on an unhurried neighbourhood walk, and returns an hour or two later as though nothing happened. He takes his self-appointed role as house security guard very seriously and has strong opinions about non-vegetarian food.

Annie, a white female dog, joined the family five months later at just five days old, and could not be more different calm, deeply fond of sleeping, and entirely unwilling to step outside without her people beside her, even with the door wide open. Two opposite personalities, one home full of love.
